Governing the US\$550,000,000 aggregate principal amount of outstanding**

8.00% Senior Notes due 2019

(CUSIP No. N3700L AA3, ISIN No. USN3700LAA37, Common Code 108995220 (Regulation S))

20 October 2015

Greenko Dutch B.V. (the "**Issuer**") and Greenko Group plc (the "**Parent Guarantor**"), on the terms and subject to the conditions set forth in the Consent Solicitation Statement dated October 20, 2015 (the "**Consent Solicitation Statement**"), have commenced the solicitation of consents (the "**Consent Solicitation**") from holders (the "**Holders**") of the Issuer's 8.00% Senior Notes due 2019 (the "**Notes**") to the Proposed Amendments and Waivers (as defined below) to the Indenture, dated as of August 1, 2014 (the "**Indenture**"), by and among the Issuer, the Parent Guarantor and The Bank of New York Mellon, as Trustee, notes collateral agent and common collateral agent (the "**Trustee**"). The Issuer and the Parent Guarantor have appointed Deutsche Bank AG, Singapore Branch and J.P. Morgan Securities plc as the solicitation agents (the "**Solicitation Agents**").

Capitalized terms used in this announcement and not otherwise defined have the meanings ascribed to them in the Indenture governing the Notes or in the Consent Solicitation Statement. The Consent Solicitation will be made solely by, and subject to terms and conditions set forth in, the Consent Solicitation Statement, which will be sent to the Holders of Notes and is also available to Holders upon request from D.F. King & Co., Inc. (the "**Information and Tabulation Agent**"). The Issuer notes that there are certain conditions to the completion of the Consent Solicitation which are found in the Consent Solicitation Statement.

As previously announced, Greenko Energy Holdings ("**GEH**"), a company registered in Mauritius and an affiliate of GIC Private Limited ("**GIC**"), has entered into a Share Sale and Purchase Deed relating to Greenko Mauritius (the "**Share Sale Agreement**"), dated October 19, 2015, with the Parent Guarantor, Anil Kumar Chalamalasetty and Mahesh Kolli and ACMK Enterprise Limited, a company incorporated under the laws of the Isle of Man, pursuant to which the Parent Guarantor has agreed to sell to GEH all of the ordinary shares of Greenko Mauritius ("**Greenko Mauritius**") held by the Parent Guarantor, the share application money of GBP4.25 million paid by the Parent Guarantor to Greenko Mauritius as an advance towards a potential allotment of shares by Greenko Mauritius, and any cash balances of the Parent Guarantor immediately before the time of such sale, which at the time of such sale will be all of the assets of the Parent Guarantor, for a gross cash consideration of GBP162.8 million (the "**Disposal**"). Under the Indenture, the completion of the Disposal would constitute a Change of Control and therefore would enable each Holder to require the Issuer to make a Change of Control Offer to repurchase all or any part of that Holder's Notes at a purchase price in cash equal to 101% of the

aggregate principal amount of the Notes repurchased, plus accrued and unpaid interest to the date of purchase.

The effectiveness of the Proposed Amendments and Waivers is a condition to the completion of the Disposal. The Issuer and the Parent Guarantor are soliciting Consents to: (a) waive (i) Section 4.16 (Offer to Repurchase Upon Change of Control) of the Indenture with respect to the Disposal (the "**Change of Control Offer Waiver**"), and (ii) Section 4.03 (Reports) of the Indenture with respect to (x) the requirement to provide an Officer's Certificate stating the Combined Leverage Ratio at the end of the year ended December 31, 2014 otherwise required under Section 4.03(c)(a) of the Indenture, including, for the avoidance of doubt, Section 4.03(c)(b) with respect to the provision of such Officer's Certificate, and (y) certain reports of the Parent Guarantor and the Restricted Group (as defined in the Indenture) as more fully described herein (the "**Reporting Waiver**" and together with the Change of Control Offer Waiver, the "**Proposed Waivers**") and (b) amend (i) the defined term "Change of Control" to eliminate the trigger if the Parent Guarantor's shares cease to be admitted to trading on AIM, a market operated by The London Stock Exchange plc, or any other stock exchange, (ii) the defined term "Permitted Holders" to include GIC Private Limited and any of its Affiliates and Affiliates of the existing Permitted Holders and (iii) the defined term "GAAP" and Section 4.03(d) of the Indenture to permit the Parent Guarantor (which term will refer to GEH following the Disposal) and the Restricted Group to prepare their financial statements in accordance with IFRS as per International Accounting Standards (collectively, the "**Proposed Amendments**" and together with the Proposed Waivers, the "**Proposed Amendments and Waivers**").

Holders must consent to the Proposed Amendments and Waivers as an entirety.

The Consent Solicitation will expire at 5:00 p.m., New York City Time on November 2, 2015, unless extended or terminated by the Issuer (the "Expiration Date").

The Issuer reserves the right to extend, amend or terminate this Consent Solicitation at any time before the earlier of the Effective Time (as defined below) and the Expiration Date.

Subject to the terms and conditions of the Consent Solicitation, including the receipt of the Requisite Consents (as defined below) on or prior to the Expiration Date, the Issuer will make, or procure to be made, a cash payment of US\$2.00 to each Holder for each US\$1,000 in principal amount of the Notes (the "**Consent Fee**") in respect of which a Holder has validly delivered (and not validly revoked) a Consent to the Proposed Amendments and Waivers prior to the Expiration Date.

Our obligation to accept Consents to the Proposed Amendments and Waivers is conditioned on, among other things, there being validly delivered (and not validly revoked), Consents from the Holders of not less than a majority in aggregate principal amount of the outstanding Notes (the "**Requisite Consents**").

It is expected that any Consent Fee due will be paid as soon as practicable after the conditions described under "The Consent Solicitation-Conditions to this Consent Solicitation" of the Consent Solicitation Statement are met and prior to or concurrently with the completion of the Disposal (the "**Payment Date**"). The Issuer will not be obligated to pay, or to procure the payment of, any Consent Fee if the conditions described under "The Consent Solicitation-Conditions to this Consent Solicitation" of the Consent Solicitation Statement (including the completion of the Disposal) are not met (unless waived by the Issuer and the Parent Guarantor).

As soon as practicable following the date of receipt of the Requisite Consents by the Information and Tabulation Agent who then certifies that the Requisite Consents have been received and not revoked as of such date and in compliance with the conditions contained in the Indenture, the Issuer and the Parent Guarantor will execute a supplemental indenture (the "**Supplemental Indenture**") with the Trustee with respect to the Proposed Amendments and Waivers (such time, the "**Effective Time**"). The Supplemental Indenture will provide that the Proposed Amendments will not become operative until immediately prior to the completion of the Disposal and the Consent Fee is paid. The Proposed Waivers will become operative at the Effective Time. The Consent Fee will be paid prior to or concurrently with the Proposed Amendments becoming operative. **For the avoidance of doubt, the payment of the Consent Fee is not a condition to the Proposed Waivers becoming operative at the Effective Time and such Proposed Waivers will become operative when the Issuer, the Parent Guarantor and the Trustee execute the Supplemental Indenture and will remain operative from such time; provided, that, if the Issuer does not provide to the Trustee an Officer's Certificate attaching a confirmation of payment of the Consent Fee to DTC on or prior to March 31, 2016, the Proposed Waivers will cease to be operative, the Supplemental Indenture will terminate and the Holders' rights will be reinstated as set forth in the Indenture immediately prior to the Effective Time.**
